

## *Music lesson*

*5th grade*

*The teacher's name: Ilona Hajdu*

*Aim of the lesson: practice*

1. *Welcome*

2. *Warm- up their vocal cord*

*The children follow the teacher's instructions.*

3. *Rhythm practice*

*They use their hands to clap and knock the rhythm.*

4. *Oldstyle folk songs and contemporary folk songs*

*a; The teacher use hand signals to force the pupils to recognise the song. They sing and show it with their hand.*

*b; The teacher clap the rhythm of the song then they sing and dance.*

*c; The pupils recognise the song from alphabetical notation.*

*d; 'Live piano'*

*The teacher play a song on the pupils' head (she touch the top of their heads and they sing the given melody) the rest of the class has to recognise this song.*

*e; Odd song*

*They rehearse oldstyle folk songs and contemporary folk songs.*

- *melody line*
- *structure of the song*
- *scale*
- *number of syllables*
- *way of performance*

5. *Let's play with songs!*

- read the song from musical notation*
- read the song from alphabetical notation*
- sing quodlibet with two folk songs*
- sing a local folk song on different voices*
- sing a canon from foreign country*

6. *Assessment of the lesson*

*Listen to a song from The Sound of Music*
